Dear Alumni and Friends,

We are pleased to invite you to this spectacular Wolfreks Cuba journey of discovery. For five decades, travel to this vibrant Caribbean nation has been strictly regulated, but recent events have made it easier for U.S. citizens to experience life on this beautiful island.

Meticulously planned by travel experts to comply with U.S. regulations, this journey puts you in contact with ordinary Cubans who are doing extraordinary things. Learn directly from them about their culture, their history and their heritage. During your trip, you will savor the flavors of authentic Cuban cuisine, admire the art of Cuban artists, listen to the infectious beat of Cuban music and much more.

Join us on this spectacular People-to-People educational exchange program, authorized by the U.S. Treasury Department’s Cuban Assets Control Regulations. Space on this amazing eight-night journey is limited to 36 travelers. Be sure to make your reservations today.

Sincerely,
